Speaker

ALEXANDER SALVONI, DDS, MSCD, PHD

Dr. Alexander Salvoni studied Dentistry at Methodist University of Sao Paulo and Oral Pathology at University of Sao Paulo. He is professor at Paulista Association of Dental Surgeons and is a specialist in implantology. Dr. Salvoni dedicates his career to teaching the new generation of Implantologists. He is an internationally recognized expert on the zygomatic technique having placed more than 1000 zygomatic implants. He is a coordinator of post-graduate education in Sao Paulo, Brazil and clinicians from all around the world come to his clinic to learn and practice this technique. Dr. Salvoni is a dedicated educator always searching for the best techniques to teach his students and to treat his patients.

Speaker

DENNIS SMILER, DDS, MSCD

Dr. Dennis Smiler is an Oral & Maxillofacial Surgeon. He is an internationally recognized expert in implant dentistry and bone grafting and has presented hundreds of lectures world-wide. He is considered to be among the finest and most popular teachers of implant dentistry in the world. He has trained and mentored numerous general practitioners and specialists in the art and science of implant placement techniques and bone graft surgery. As one of the first to establish an international implant seminar and the implant team concept, Dr. Smiler has been teaching implant dentistry and bone grafting for over 25 years.

Speaker

DAN ROSEN, DDS

Dr. Dan Rosen is an international lecturer and educator on subjects related to implant dentistry and prosthetic rehabilitation of implant supported restorations. He is a graduate of medical school in Bologna, Italy and received Doctor of Dental Surgery from Tel Aviv University, Israel. He is a fellow and diplomate of the International Congress of Oral Implantology and member of the American Academy of Implant Dentistry. Dr. Rosen maintains a private practice in Los Angeles, California and mentors dentists in surgery and treatment related to implants. In addition to English, Dr. Rosen speaks Spanish, Italian, Hebrew, and Farsi.
