

YOU ARE CORDIALLY INVITED TO THE

# ZygoMania

## Global Symposium, Mumbai

January 28<sup>th</sup> -29<sup>th</sup>, 2023

***Ever Wanted To Master  
Your Zygomatic Know-How?***

This January, Noris Medical invite you to expand your knowledge on Zygomatic Implants by learning from some of the best! We invite you to take part in our upcoming "Zygomania" Conference with engaging lectures and hands-on courses facilitated by key opinion leaders and top dental professionals in their respective fields.

# Agenda

**JANUARY 28<sup>th</sup>, 2023**

8:30 AM - 9:30 AM

**RECEPTION AND REGISTRATION**

8:00 AM - 8:30 AM

**OPENING CEREMONY  
WHAT IS A ZYGO PRO?!**

*Presented by Prof. Prof. Johnson Raja James*

**MAIN PODIUM WITH ALTERNATING LECTURERS**

*Moderated by Prof. Prof. Johnson Raja James*

9:30 AM - 10:15 AM

**ANATOMICAL INSIGHTS RELATED TO SURGERY OF ATROPHIC JAWS-  
CBCT SCAN AND PATIENT SELECTION**

*Presented by Dr. Sankalp Mittal*

10:15 AM - 11:00 AM

**SURGICAL WORKUP FOR TREATMENT PLANNING  
PTERYGOID IMPLANTS**

*Presented by Dr. Luigi Stefanelli*

11:00 AM - 11:30 AM

**COFFEE BREAK**

11:30 AM - 12:15 PM

**THE QUAD ZYGOMA AND SURGICAL TECHNIQUE**

*Presented by Prof. Prof. Johnson Raja James*

12:15 AM - 13:00 PM

**ZYGO AND PTERY COMPLICATIONS**

*Presented by Dr. Tarun Kumar*

13:00 PM - 14:00 PM

**LUNCH**

14:00 PM - 14:45 PM

**EZGOMA® – ZYGOMATIC & PTERYGOID GUIDED SURGERY SOLUTIONS**

*Presented by Prof. Francesco Zingari & Dr. Francesco Gallo*

14:45 PM - 15:30 PM

**NEVIGATION SOLUTION FOR ZYGOMATIC PROCEDURE**

*Presented by Dr. Ashwini Bhalerao*

15:30 PM - 16:00 PM

**COFFEE BREAK**

16:30 PM - 17:15 PM

**EXPERTS PANEL AND Q&A WITH THE AUDIENCE**

*Moderated by Prof. Prof. Johnson Raja James  
with the participation of the Global ZygoPro Experts*

19:30 PM - 24:00 PM

**GALA DINNER EVENT**

# Hands-On Workshop Agenda

**JANUARY 29<sup>th</sup>, 2023**

✓ 9:00 AM - 3:00 PM

## **FULL - ARCH IMMEDIATE LOADING USING PTERYGOID IMPLANTS**

Lectured by  
*Prof. Prof. Johnson Raja James, MDS, Periodontist*  
*Dr. Luigi Stefanelli, DDS*

✓ 9:00 AM - 3:00 PM

## **EZGOMA® – ZYGOMATIC & PTERYGOID GUIDED SURGERY**

Lectured by  
*Prof. Francesco Zingari, DDS*  
*Dr. Francesco Gallo, DDS*

✓ 9:00 AM - 3:00 PM

## **ZYGOMATIC AND PTERYGOID IMPLANT COURSE WITH ANATOMICAL DISSECTION**

Lectured by  
*Dr. Sankalp Mittal, MDS, Oral & Maxillofacial Surgeon*  
*Dr. Tarun Kumar, MDS, Periodontist*  
*Dr. Akash Chakravarthy, MDS, Oral & Maxillofacial Surgeon*

## **SCHEDULE FOR ALL WORKSHOPS**

9:00 AM - 10:00 AM

**LECTURES**

10:00 AM - 10:15 AM

**BREAK**

10:15 AM - 12:30 PM

**LECTURES**

12:30 PM - 1:30 PM

**LUNCH**

1:30 PM - 3:00 PM

**HANDS ON MODELS AND Q&A**

**TUESDAY JANUARY 29<sup>th</sup>, 2023**

9:00 am to 3:00 pm | Interactive Hands-On Workshops

## HANDS-ON WORKSHOP

# FULL - ARCH IMMEDIATE LOADING USING PTERYGOID IMPLANTS

Lectured by

**Prof. Prof. Johnson Raja James**, MDS, Periodontist  
**Dr. Luigi Stefanelli**, DDS

## OVERVIEW

Although they have been in use for over 50 years, Pterygoid implants are one of the least understood styles of dental implant treatment. This JANUARY be due to the fact that pterygoid implants are widely considered to be one of the most difficult fixtures to place in all of implant dentistry.

You will receive knowledge and guidance for incorporating this style of treatment into your full arch dental implant practice.

After didactic learning about pterygoid implants, course participants will receive Hands-On guidance for the placement of pterygoid implants on models.

## COURSE OBJECTIVES

- ✓ Review anatomy pertinent to pterygoid implant treatment
- ✓ Review indications and contraindications for pterygoid implants Pre - Surgical workup for treatment planning pterygoid implants
- ✓ Review surgical techniques for the placement of pterygoid implants
- ✓ Review complications associated with pterygoid implants
- ✓ Review prosthetic restorations of pterygoid dental implants
- ✓ Hands-On Model Workshop

# INTERACTIVE HANDS-ON MODEL WORKSHOP

## EZGOMA® – ZYGOMATIC & PTERYGOID GUIDED SURGERY

*Lectured by*

**Prof. Francesco Zingari, DDS**  
**Dr. Francesco Gallo, DDS**

---

### OVERVIEW

Participants will learn the steps to be followed to duly plan and perform an EZgoma® case with zygomatic implants and successfully treat patients suffering from the severely atrophic jaw.

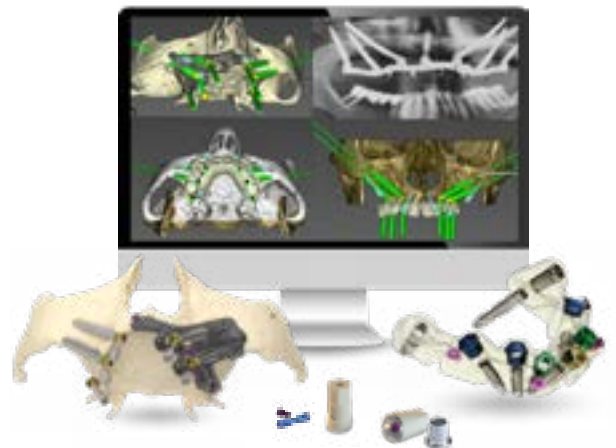

It will be explained how to import DICOM files into the guided surgery software and match them with STL files from diagnostic wax-ups.

During the Hands-On session, participants will work on a real case 3D model.

Under the monitoring of tutors, they will perform the step-by-step drilling protocol until the implant insertion, with the support of the customized EZgoma® guides throughout the process.

### COURSE OBJECTIVES

- ✓ Overview of surgical anatomy
- ✓ Traditional Guided Surgery vs Zygomatic Guided Surgery
- ✓ Digital prosthetic planning: DICOM – STL file matching for the correct use of the guided surgery software
- ✓ Use of the guided surgery software for an accurate zygomatic implant insertion
- ✓ Hands-On session performed by participants on 3D models with EZgoma® Surgical Guides

# JANUARY 29<sup>th</sup>, 2023

9:00 am to 3:00 pm | Interactive Hands-On Workshops

## HANDS-ON WORKSHOP

# ZYGOMATIC AND PTERYGOID IMPLANT COURSE WITH ANATOMICAL DISSECTION

*Lectured by*

**Dr. Sankalp Mittal**, MDS, Oral & Maxillofacial Surgeon

**Dr. Tarun Kumar**, MDS, Periodontist

**Dr. Akash Chakravarthy**, MDS, Oral & Maxillofacial Surgeon

---

## OVERVIEW

Patients suffering from severe jaw atrophies and in need of long-lasting Osseointegrated implant-retained restorations are on the rise.

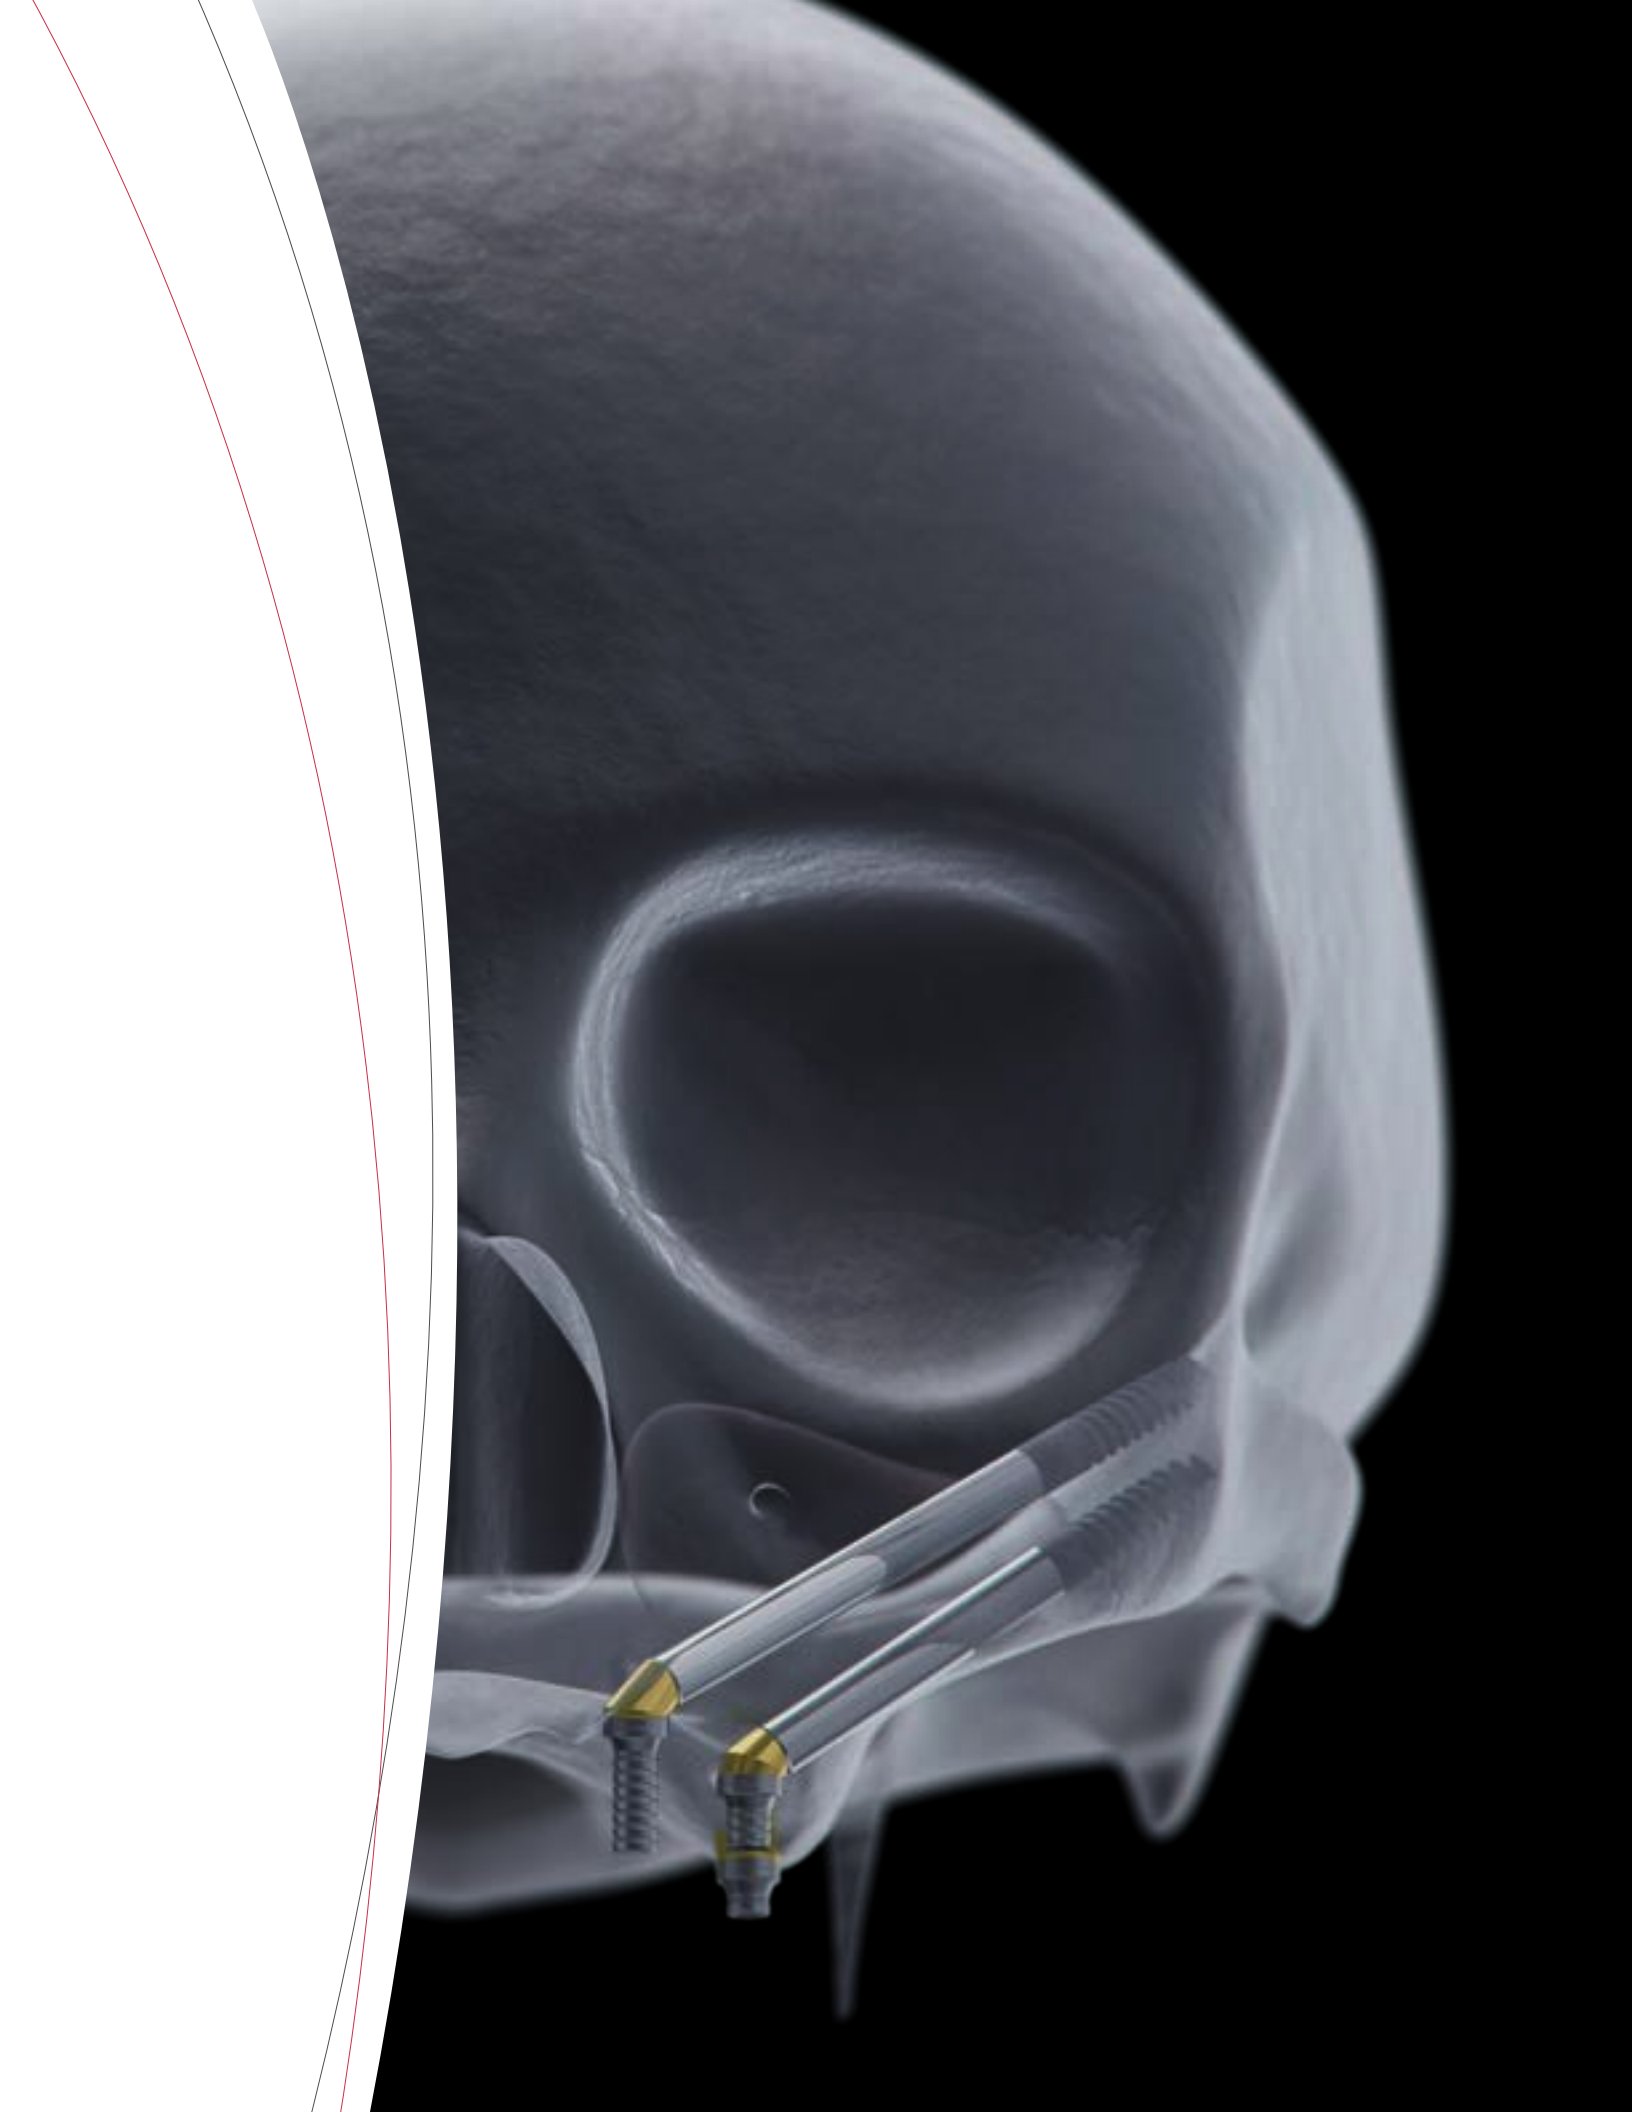

Rehabilitation with zygomatic implants stands for a key solution in the treatment of such complex cases.

This lesson will focus on dental implantology using zygomatic implants by presenting the latest trends in this groundbreaking implant-prosthetic treatment.

## COURSE OBJECTIVES

- ✓ Anatomical insights related to surgery of atrophic jaws
- ✓ CBCT scan and patient selection
- ✓ Overview of rehabilitation treatments for maxillary atrophic jaws (zygomatic, pterygoid and nasal implants)
- ✓ Noris Medical Extrasinus Zygomatic protocol
- ✓ Key prosthetic ideas for immediate loading for atrophic jaws

## **DR. AKASH CHAKRAVARTHY, MDS, ORAL & MAXILLOFACIAL SURGEON**

Consultant Oral and Maxillofacial Surgeon and Implantologist in and around Hyderabad  
Performed full mouth implant rehabilitation as a consultant at Sunshine Hospitals, Medicoover

Hospitals, Apollo Hospitals, Ankura Hospitals, Hyderabad. Guest speaker and surgeon for Mucormycosis rehabilitation at Kothiwal Dental College and Research Centre, Moradabad, UP, India. Guest Speaker for IDA lecture and Hands on for All on 4 implantology technique at S.B.PATIL Dental College Bidar Karnataka, India. Speaker at IDA 7th Telangana State Dental Conference at NIT, Warangal, India (Lecture and Hands-on on All on 4 and Tilted Implantology).

Conducted lectures and Hands on and 2 live surgeries on rehabilitation of Mucormycosis patient through Zygomatic implantology through Government Dental College of Indore, India.

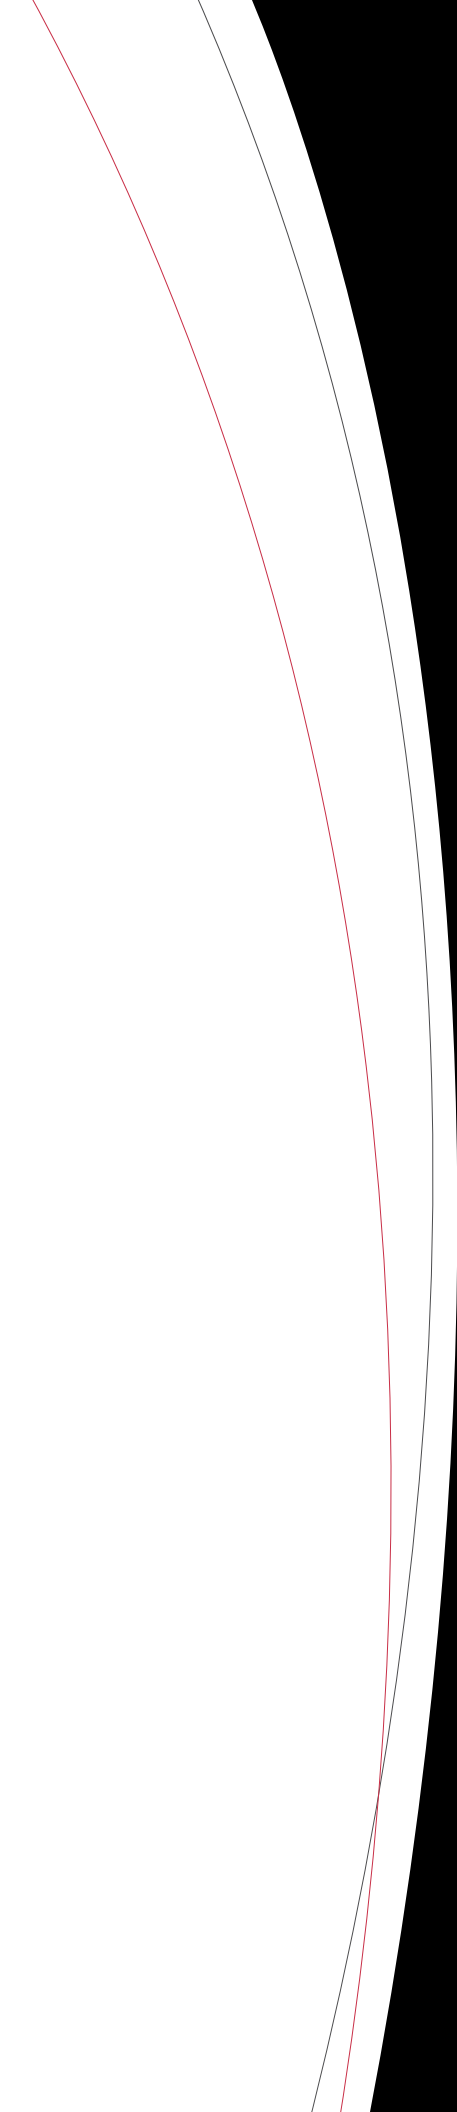

*Speaker*

## **DR. LUIGI STEFANELLI, DDS**

Graduation in Civil Engineering at Politecnico di Torino.  
Graduation cum laude in dentistry and prosthetics at "Sapienza" Università di Roma.  
P.h.d. in head and maxillofacial diseases at la "Sapienza" Università di Roma.

Professor at the master in implantology at "Sapienza" Università di Roma since 2014.  
Professor at the master in prosthetics at la "Sapienza" Università di Roma since 2015.  
Master clinical trainer and opinion leader for Claronav, Navident.  
An active member of the Digital Implant and Restorative Academy.  
Director of the Dynamic Navigation Society.  
Author of numerous papers on guided surgery.  
Author of 3 patents on static guided surgery.

# ADDITIONAL INFORMATION

## EARLY REGISTRATION

Considering that a large audience is expected and places are limited, early registration is advisable and may be easily arranged through your local representative.

## HOTEL RESERVATION

We've arranged special conference packages for you that include a stay at the Westin Mumbai Powai Lake where the conference will be.

You are also free to make a hotel reservation independently. Please contact your local representative for any assistance you may require.

You can check out the hotel and the location at the following [link](#).

## FLIGHTS

Closest Airport: **Chhatrapati Shivaji International Airport Mumbai**

All flight arrangements should be made by the individual participant and are not provided by Noris Medical.

## THE PROGRAM MAY CHANGE DUE TO LOCAL HEALTH REGULATIONS

# FOR MORE INFO AND SPECIAL PACKAGED, PLEASE CONTACT YOUR LOCAL REPRESENTATIVE

In the event of a force majeure, registered participants will be fully reimbursed\* for the costs of the event.

\*The refund may be converted to other events or courses or Noris products.

*Don't Miss Out.
