 - ✓ This is exactly what the One Piece Series is all about: Bone augmentation procedures in implant dentistry.
 - ✓ Review article: Chiapasco M, et al. Int J Oral Maxillofac Implants. 2009 Conclusion: “Every surgical procedure presents advantages and disadvantages. Priority should be given to those procedures which are simpler and less invasive, involve less risk of complications, and reach their goals within the shortest time frame.
- ✓ Even Albert Einstein said: “Everything should be made as SIMPLE as possible...but not simpler! ”

IF you want learn how to:

- ✓ Place a lot of implants with the minimally, invasive, simplified approach...
- ✓ Place implants in many clinical applications
- ✓ Renew your love & passion for dentistry & Implantology
- ✓ Become more profitable by providing a much needed service

THEN come and join us or a fun and practical day of learning this amazing One Piece Implant alternative.

- ✓ Many Actual Clinical Cases Shared (2,300 + Monos placed)
- ✓ Hands on demonstration

Venue Address:

Tuckerton Dental, Tuckerton, NJ, USA
South Jersey Mini Mono Dental Implant Center
210 Great Bay Blvd Tuckerton,N.J. 08087

Cancellation Policy

We offer a flexible cancellation policy for our courses. If you need to cancel your registration, we ask that you do so at least one month before the scheduled course date to receive a 50% credit. If you cancel before the two-month deadline, we will provide a full credit. Unfortunately, we cannot offer any credit for cancellations made within one month of the course date, unless it is an individual case such as illness, which will be reviewed and decided by the regional manager. It is important to note that the credit for hotels is separate from the course cancellation policy. We highly recommend booking your hotel accommodations with a flexible cancellation option. This will provide you with the necessary flexibility in case of unforeseen circumstances that may require you to cancel or change your hotel reservation. For doctors who have purchased implant packages, we offer credit for product purchases only. This credit is not transferable to other products or services. If you have any questions or concerns regarding your implant package credit, please contact our customer service team for assistance.

Speaker

DR. RONALD PAUL PETROSKY

DDS, MAGD, DICOI

Upon graduating from Stevens Academy in Hoboken, New Jersey and earning a Bachelor of Science degree in mathematics at Jacksonville University in Jacksonville, Florida. Dr. Ronald P. Petrosky went on to graduate from Temple University School of Dentistry, Philadelphia, Pennsylvania with a doctor of dental surgery degree.

Dr. Gail P. Petrosky graduated from Hoboken High School, Hoboken, New Jersey, Monmouth University, Monmouth, New Jersey, and went on to graduate with a Doctor of Dental Medicine and a specialty degree in prosthodontics from the University of Medicine and Dentistry of New Jersey, Newark, New Jersey.

Both Drs. Ronald and Gail Petrosky have since maintained a dedication and passion for excellence in the profession of dentistry having also completed numerous advanced continuing education programs such as certificates in implantology from the Misch International Institute in Detroit, Michigan, Harvard University School of Dental Medicine, Boston, Massachusetts, and the Brookdale Hospital Medical Center, Brooklyn, New York.

Dr. Ronald Petrosky has also been honored as..

- * Board Certified-Diplomate & Fellow International Congress of Oral Implantologists
- * Master & Fellow Academy of General Dentistry
- * Diplomate & Fellow International Academy of Mini Dental Implants
- * Diplomate of Global Mini Dental Implant Association
- * Diplomate American Society of Osseointegration
- * Master & Fellow American Academy of Implant Prosthodontics
- * Fellow Misch International Implant Institute
- * Associate Fellow American Academy of Implant Dentistry
- * Fellow American Academy of Small Diameter Implants
- * Fellow Institute for Advanced Laser Dentistry
- * Graduate Resnik Implant Institute

This is in recognition of his outstanding achievements, having completed approximately 3,000 hours of advanced continuing education, many years of clinical experience, along with passing oral and written examinations.

As an example of one such distinction, Dr. Ronald Petrosky has received one of the most rigorous and prestigious designations in the profession of dentistry after completing the most comprehensive continuing education program in general dentistry, namely the title of Master of the Academy of General Dentistry (MAGD) in an awards convocation ceremony in San Antonio, Texas, 1991. The 'MAGD' designation represents:

" A very small and select number of the roughly 150,000 of dentists in the United States ... in the top 1% of his peers nationwide.

" Completing the 'highest criteria for professional excellence' of at least 1,000 hours of continuing education in 16 disciplines of dentistry including 400 hours dedicated to hands-on skills and techniques.

" A life long pursuit of continuing education to provide the highest quality of care to patients.

In 2005, Dr. Ronald Petrosky was selected as one of America's Top Dentists by The Consumers' Research Council of America, Washington, D.C., AS Who's Who In Dentistry, and in the National Registry of Who's Who.

Dr. Petrosky's office offers the very latest in innovative 21st century advanced technology such as Periodontal Laser Therapy™(LANAP), 3D Cad-Cam ceramic restorations, mini dental implants, Lumineers for beautiful smile designs, one visit rotary root canal therapy, 3D CT-scan imaging, in a unique, nostalgic, imaginative atmosphere for the quality care and comfort of the patients we have the pleasure to serve."
