# The Mono Bendable Implant: The Revolutionary Full Arch Solution for the General Practitioner

## Course Overview

This two-hour Dinner and Learn aims to introduce the Noris Medical Mono Bendable Implant to general practitioners in West Michigan. The event will focus purely on the clinical applications of how full mouth implant rehabilitations using NM Mono Implants in combination with 3D printing in a full digital protocol. By the end of the event, GP's will understand all clinical applications of the Mono Implant, basic surgical techniques and nuances, how they compare to conventional two-piece implants, the dynamics of both immediate placement and delayed two-stage placement, and 3 full arch case studies will be walked through from start to finish clinically. Dr. Jared Van Ittersum and Dr. Elias Achey are Co-founders of Infinity Dental for 16 years, and Mono Implant Academy in the USA, they have been placing six different implant systems for 14 years and are exclusively bringing their expertise on full arch implant rehabilitations to general practitioners nationwide.

## Course Objectives

- ✓ Introduce NM Mono Bendable Implant features and benefits.
- ✓ Explain clinical applications in full mouth implant rehab.
- ✓ Teach basic surgical techniques and comparisons.
- ✓ Discuss immediate and delayed placement dynamics.
- ✓ Present three full arch case studies with NM Mono Implants"

### Speakers

#### Dr. Jared Van Ittersum DDS

Dr. Jared Van Ittersum, D.D.S., a Spring Lake native, has been practicing dentistry for the past twelve years while also founding and co-owning Infinity Dental, a private collection of offices throughout West Michigan. Dr. Van Ittersum attended Jeffers Elementary and Spring Lake High School before graduating in the top 5% of his class from the University of Michigan in 2008. Surgical implant implantation, Cerec CAD/CAM same-day crowns, and digital Invisalign are among Dr. Van Ittersum's specialties.

Dr. Van Ittersum is a best-selling author and national dental speaker who has mentored and taught high-end dental techniques to dentists in our area for the past ten years. He is thrilled to contribute his passion for providing a positive patient experience to the office.

#### Dr. Elias Achey DMD

Dr. Elias Achey, D.M.D., is a lead scientist for the International Association of Dental Research, and has been practicing dentistry for 17 years; founding Infinity Dental Partners. He earned his Doctorate of Medicine in Dentistry, Summa Cum Laude, from the University of Alabama in 2006, and has since owned and managed 15 practices in 7 states, with over 30 doctors. Dr. Achey is a Dental Business Institute faculty member, and a Key Opinion Leader in the state of Michigan. Dr. Elias pioneered the Comprehensive Health Dentistry Model, which stresses the oral-systemic inflammation connection. Dr. Achey has placed over 1,000 implants and practices CAD/CAM dentistry.
